

This is to announce a small workshop on *Game Theory and applications*.  
The workshop will be held at the **Department of Mathematics** the day  
**February 25, room Fausto Saleri, sixth floor**

## *The program*

**14.30 Prof Mario Gilli** (Università Milano Bicocca)

“Equilibria and Stability in a Model of Political and Social Conflict.  
The Symmetric Case”

**15.45 Dr. Michela Chessa** (Eurecom, France)

[“Personal Information on Social Networks: Incentives for Data Release  
and Fair Monetization”](#)

**17.00 Prof. Nicola Gatti** (Politecnico di Milano)

"Efficient algorithms for the verification problem of sequential  
equilibrium and quasi-perfect equilibrium"

Abstracts are available at the website

[www.gametheory.polimi.it](http://www.gametheory.polimi.it)

All interested people are very welcome

Roberto Lucchetti
