The event may be recorded.

If a participant intervenes with video or audio during the event, that intervention will be recorded. Any participant who intervenes during the event assumes responsibility and releases Politecnico di Milano from any liability for the dissemination of his/her image and/or audio during the event and afterwards.

Notice is hereby given that participants in the event may be subject to audio-video filming. The data subject to processing, including images, of audio/video filming and recording (hereinafter, the "Images"), even in partial and/or edited or adapted form, made during the event will be processed, in full compliance with the GDPR.

The data will be processed, also with the aid of electronic means, by individuals specifically appointed for the dissemination and communication activities of the Politecnico di Milano. The Images collected will be stored, also in electronic form and on any technological support for the purposes and within the limits defined above and may be disseminated in accordance with Law no. 150/2000 on institutional websites as well as through social network channels (Facebook, X, Youtube by way of example but not limited to). The use of the images does not entitle the user to any compensation.

Politecnico di Milano has the right to access or disclose the User's Images without any consent, by reason of art. 97 of Law no. 633/1941. This authorization implies the granting of a non-exclusive, unlimited, worldwide license, transferable to third parties, for the use of the Materials and includes the rights set forth in Articles 12 through 19 of Law no. 633, including but not limited to the following: right of publication; right of reproduction in any manner or form; right of transcription, editing, adaptation, processing and reduction; right of communication and distribution to the public, including the rights of projection, transmission and broadcasting even in a summarized and/or reduced version, by any technical means, right to keep copies of the Materials, including in electronic form and on any known or future invented technological support for the purposes and within the limits defined above.

It is in any case excluded under the cited article and in accordance with Article 10 of the Civil Code any use of the Images that may harm the honor, reputation or decorum of the person portrayed, filmed or recorded.

Nature of data

The provision of data is optional.
Refusal to provide the data will result in the inability to perform the intended purposes.

Methods of data processing

Personal data will be processed in paper, computerized and telematic form and entered in the relevant databases and this may be accessed, and therefore come to the knowledge of, the employees expressly designated by the Owner as internal Managers and Authorized to process personal data, which may carry out consultation operations, use, processing, comparison and any other appropriate operation also automated in compliance with the provisions of the law necessary to ensure, among other things, the confidentiality and security of the data as well as the accuracy, updating and relevance of the data to the stated purposes.

Attendance events	In-person events are held at the Politecnico di Milano premises and may be subject to audio/video filming by authorized operators.

If web platforms are used to broadcast the event, please consult the relevant privacy policies:

- ZOOM https://explore.zoom.us/it/privacy/
- MICROSOFT TEAMS https://learn.microsoft.com/en-us/microsoftteams/teams-privacy
- WEBEX https://help.webex.com/it-it/article/nv2hm53/Sicurezza-e-privacy-Webex

Recipient categories

In relation to the stated purposes, the data may be transmitted to companies and/or persons, who provide services on behalf of the Holder for the realization, promotion and communication of the event as well as to other institutions hosting the event.
The data may also be communicated to partners who contribute to the organization of the event and to the sponsoring institutions also as sponsors, and photographs and audio-video recordings may be disseminated on institutional websites, in brochures and publications in printed and electronic format, as well as in magazines - also electronic - and other multimedia material.

Transfer of data to non-EU countries or international organizations

Personal data will be processed by the Data Controller within the territory of the European Union. Should it become necessary for technical and/or operational issues to use entities located outside the European Union, or should it become necessary to transfer some of the collected data to technical systems and services managed in the cloud and located outside the European Union area, the processing will be regulated in accordance with the provisions of Chapter V of the EU Regulation and authorized on the basis of specific decisions of the European Union. Therefore, all necessary precautions will be taken in order to ensure the fullest protection of personal data, basing the transfer:

(a) on adequacy decisions of the receiving third countries expressed by the European Commission;

b) on adequate safeguards expressed by the receiving third party pursuant to Article 46 of the EU Regulation;

(c) on the adoption of binding corporate rules, so-called corporate binding rules.

Rights of the interested party

As a data subject, you may at any time request from the Controller

- confirmation as to whether or not personal data concerning him/her exist;

- access to your personal data and information relating to them

- the rectification of inaccurate data or the integration of incomplete data;

- the deletion of personal data concerning you (upon the occurrence of one of the conditions set out in Article 17(1) of the Regulation and in accordance with the exceptions set out in paragraph 3 of the same Article)

- the restriction of the processing of your personal data (in the event of the occurrence of one of the hypotheses indicated in Article 18, paragraph 1 of the Regulation), the transformation into anonymous form or the blocking of data processed in breach of the law, including data whose storage is not necessary in relation to the purposes for which the data were collected or subsequently processed.

As a data subject, you also have the right to object in whole or in part

- on legitimate grounds, to the processing of personal data concerning him/her, even though they are relevant to the purpose of collection

- to the processing of personal data concerning him/her for the purpose of sending communications aimed at promoting Politecnico di Milano training initiatives and events.

These rights can be exercised by contacting privacy@polimi.it.

If you consider that your rights have been violated by the data controller and/or a third party, you have the right to lodge a complaint with the Data Protection Authority and/or any other supervisory authority competent under the Regulation.
