Tit. III – Cl. 12
UOR: POLICLE- D.MAT
Milano, September 30, 2014

THE DIRECTOR

IN ACCORDANCE with the Italian Presidential Decree No 445 dated December 28th, 2000;

IN ACCORDANCE with art. 2 and 12 of the Italian Ministerial Decree dated April 9, 2001 «General criteria for uniform treatment regarding the right to higher education» issued in agreement with art. 4 of the Italian Law No 390 dated December 2nd, 1991 and subsequent amendments and additions;

HAVING REGARD to the Regulations for Administration, Finance and Accounting, issued with Rectoral Decree no. 828/AG of March 14, 2014 and in particular article 79 comma 3rd and 4th;

CONSIDERING the contribution provided by the Bruti Liberati Family for the establishment of a scholarship in the scientific field of Financial Mathematics;

GIVEN the resolutions of the Board of Department of Mathematics on September 26, 2014 to commit to fund scholarships in Financial Mathematics disciplines,

DECREES

the call for the international evaluation for No 1 scholarship "Bruti Liberati Nicola" for studies in Financial Mathematics - Year 2014.

Art. 1

Scholarship beneficiaries and characteristics

The scholarship is dedicated to the memory of Nicola Bruti Liberati, a brilliant young graduate student in Financial Mathematics who died prematurely in 2007. The scholarship has been established by the Department of Mathematics, in collaboration with the Bruti Liberati Family, the Bachelier Finance Society and the publisher Springer.

This scholarship aims to reward the best and most original Ph.D. thesis in Financial Mathematics, including but not limited to the following topics: valuation of derivatives, portfolio optimization, risk management, computational finance, probabilistic methods in finance, numerical methods in finance.

The total amount of the grant is Euro 3.000,00 net of social security contributions to be paid by the Administration.

The winner does not enter *into any* employment relationship in return for *scholarship* funds.

As a matter of fact the scholarship is intended to support the educational training of the beneficiary and is subject to the tax regime provided by the Italian law.

To be eligible for the selection procedure, the applicant must have successfully defended his/her Ph.D. dissertation in the years 2013 and 2014.

Art. 2

Applications: terms and conditions

In order to be eligible for this scholarship, candidates must submit the application form enclosed to this call, available in the official POLITECNICO website www.polimi.it and on the website of the Department of Mathematics: www.mate.polimi.it

The candidate, under penalty of exclusion, must include the following documents in the application:

- a copy of the Ph.D. thesis;
- a copy of the Ph.D. Degree Certificate;
- a *curriculum vitae*, detailing the current activities of the applicant;
- at least one reference letter from a professor or from a recognized expert in the field;
- any other documentation deemed necessary by the applicant for the evaluation Commission;
- the photocopy *of the passport or of the* identity card;
- a list of all the documents submitted.

The Commission will only evaluate applications that are completely uploaded by the deadline.

Due to art. 46 and 47 of the Presidential Decree no. 445/2000, Italian as well as EU candidates are entitled to provide a substitutive self-declaration as certification of the above documents.

The Administration will verify the truthfulness of the self-declarations. In case of non sincere declarations, penal sanctions provided by the article 76 of the Presidential Decree n. 445/2000 will apply, the applicant will not be eligible for the award and he/she will lose all the benefits.

Applications must be sent by mail in a closed envelope no later than January 31, 2015 at 12:00 a.m. as arrival date (stamp and date of the post-office will be considered) to the following address:

Politecnico di Milano
Dipartimento di Matematica
P.zza Leonardo da Vinci 32
20133 Milano

with the object: **Borsa di studio «Dott. Nicola Bruti Liberati - Anno 2014»**

and by e-mail in a .pdf format to the address brutiliberatiprize@polimi.it. In case of disagreement between the material sent by mail and that sent by e-mail, the committee will refer to that sent by mail.

The Administration is not responsible in case of lost communication due to incorrect indication of the domicile by the applicant or missing or late communication of any modification of these data or due to a possible postal or telegraphic error not imputable to the same Administration.

Art. 3

Admission Committee and Assessment criteria

The scholarship is awarded on the basis of a comparative assessment carried out by a Committee appointed by the Head of the Department of Mathematics in agreement with the Bachelier Finance Society.

In carrying out the assessment procedure, the Committee may also refer to recognized experts (academicians or industry researchers) involved in the Financial Mathematics area.

To evaluate the candidates for the award of the scholarship, the Committee will proceed by a comparative assessment of their Ph.D. thesis, according to the following criteria:

- scientific relevance of the Ph.D. thesis, 100 points.

The decision of the Committee is unquestionable.

Art. 4

Awarding of the scholarship

The Commission will rank the applicants with a motivated report. The rank will be published in the Official Register of the Politecnico di Milano as well as on the Politecnico web site www.polimi.it and on the Department web site www.mate.polimi.it.

The Head of the Mathematics Department will approve by decree the ranking made by the Commission and will declare the winner of the selection.

At the discretion of the Committee, the scholarship can be awarded to more than one candidate. In this case, the full amount of the scholarship will be equally divided among the winners.

At its sole discretion, the Committee may recommend the publication of all or part of the thesis in the Springer catalogue.

Art. 5

Acceptance of the scholarship

Failure to accept the scholarship within 10 days after the notification of the winner status and to agree - without reservations - to all terms and conditions of the call for the scholarship imply that the winner will lose the scholarship. Acceptance declarations sent

a) by registered mail to the following address:

**Politecnico di Milano
Dipartimento di Matematica
P.zza Leonardo da Vinci 32
20133 Milano**

with the object: **Borsa di studio «Nicola Bruti Liberati - Anno 2014»**

and

b) by e-mail in a .pdf format to the address brutiliberatiprize@polimi.it

within 10 days after the notification will be deemed to have been submitted in time.

Together with award communication, the award holder will receive a form to provide data for the payment details and for the fiscal deductions. The holder has to return these forms completed and signed together with the declaration of acceptance.

Art. 6

General provisions

- **Tax treatment:** grant awarded under this announcement are subject, for tax purposes, to the current regulations regarding scholarships.
- **Withdrawal:** the scholarship can be revoked if the recipient is subject to disciplinary sanctions.
- **Forfeiture and renouncement:** the candidate who:
 - expressly does not accept the scholarship within the deadline and according to the conditions described in the call, except for those who have found themselves unable to do so for health reasons or causes of *force majeure* duly established,
 - provides false statements or omits the disclosures required by Article 1 and Article 2 of this call, subject in any case to additional penalties provided for by applicable law,loses the right to receive the scholarship. The Head of Department will declare by decree the withdrawal of the scholarship.

The winner may refuse the scholarship by written notification addressed to the Head of the Department; in this case, at the discretion of the Committee, the scholarship - or the rest of it - will be made available to other candidates, according to the candidate rank.

- **Failure to assign:** in case the scholarship is not assigned, for any reason, the amount will go to increase the capital of the fund.

Art. 7
Payment

The scholarship, for a total amount of € 3.000,00 net, will be paid in one installment.

Art. 8
Privacy policy

The personal information provided in the application will be treated in compliance with the right of protection of personal data and the right of protection on the privacy and personal identity, in accordance with Italian Legislative Decree No. 196 June 30, 2003 and its amendments and additions (Personal Data Protection Code). - 4.** Apart from the cases in which the law expressly foresees that reporting to the Judicial Police Authorities is a necessary prerequisite for activating the administrative procedure for issuing a duplicate of an identity document or of data certifying personal details of the interested party, loss of such documents is proven by those applying for a duplicate by a substitutive declaration.

³**Art. 76** *Penal regulations.*

- 1.** Anyone making a false declaration, preparing false deeds or using the same in cases foreseen by this consolidated document is punishable pursuant to the penal code and special laws on the matter.
- 2.** Presentation of a deed containing data no longer corresponding to the truth is equivalent to use of a false deed.

3. Substitutive declarations made pursuant to articles 46 and 47 and declarations made on behalf of persons indicated in article 4, paragraph 2, are considered to be made to a public official.

4. If crimes indicated in paragraphs 1, 2 and 3 are committed to obtain appointment to public office or authorisation to practice a profession or art, the judge, in the most serious cases, may apply temporary ban from public office or from the profession or art.

⁴**Art. 75** *Loss of benefits.*

1. Subject to that foreseen in article 76, should false declarations emerge from controls pursuant to article 71, the declarant loses any benefits ensuing from the issued provision based on the false declaration.

⁵**Art. 38** *Procedures for sending and signing applications.*

1. All applications and declarations to be presented to public administration or to managers or providers of public services may be also sent by fax or communication technology means.

2. Applications and declarations sent by communication technology means, including applications to participate in selections and competitions for employment, in whatever position, in all public administrations, or for registration in orders, registers or lists held by public administrations, are valid if carried out pursuant to article 65 of Legislative Decree no. 82 of 7 March 2005.

3. Applications and substitutive notary deed declarations to be presented to public administration bodies or to managers or providers of public services are signed by the interested party in the presence of a delegated employee or signed and presented together with a non-authenticated photocopy of an identity document of the undersigned. The photocopy of the identity document is inserted in the folder. Copy of the application signed by the interested party and copy of the identity document may be sent by communication technology means; in procedures for adjudication of public contracts, said possibility is allowed within the limits established by the regulation pursuant to article 15, paragraph 2 of law no. 59 of 15 March 1997.

3-bis. The power of representation for the preparation and submission of applications, projects, declarations and other certificates, as well as for collection of deeds and documents from public administration and managers or providers of public service may be validly conferred on another person pursuant to this article.
